Dear Sir/Madame,

On behalf of the Cheema Aquatic Club, we would greatly appreciate your support in assisting our Club by pledging an auction item or donation for our annual Auction on November 14th. As you may be aware, Cheema promotes a healthy lifestyle for ages 8 and up, by providing a quality sprint canoe/kayak sport program to the surrounding communities. We also produce many National, World and Olympic class athletes and are the *National Champions in Sprint Canoe/Kayak for 2012, 2013 and 2014!*

Over the past several years, the program has grown significantly with over 400 active participants. Our goal is to make Cheema more accessible to new members while maintaining world class training!! In recent years, we have completed a very special project which will help our club accommodate new members. We are very proud to have a new boathouse and gym facility. Our annual auction is an important part of our annual fundraising and will help with the continued successful operation of our club.

Your support will help us reach our fundraising goal!

We would like to thank you for your consideration and please contact me if require further information.

Sincerely,
Darlene Sampson
