Revised:

Board Approval: February 9, 2026

Purpose

On July 14, 2025 the Board of Directors decided to start offering a sibling discount of 10% for a second and any additional children, for summer program registrants only, beginning summer 2026. This Policy confirms the details for the sibling discount.

Terms of the Sibling Discount

Following are the terms of the sibling discount:

- Cheema offers a 10% discount for siblings (brothers and sisters) who are both registered in the Full Summer Program or the PaddleAll summer program. For clarity:
 - The discount is available if one sibling is registered in a year-round program and a second sibling is being registered in the Full Summer Program or PaddleAll summer program.
 - The discount is available if one sibling is registered in Full Summer Program or PaddleAll summer program and a second sibling is being registered in either of those programs.
 - The discount is not available for one-month or shorter summer program registrations.
 - The discount is not currently available for full-year programs.
- The discount is 10% for the second and each additional sibling registered. The discount applies to siblings only (not to other family members, such as parents or spouses).
- The discount is applied to the lowest cost program(s) amongst the siblings.
- The registration site will promote sibling discounts prominently.
- To receive the discount, the applicant needs to request the discount from the registrar (registrar@cheema.ca) BEFORE registering. This will be outlined clearly on the site.
- The Registrar will provide an appropriate promo code (depending on the number of siblings) for the family to use.

- The family registers using the code to receive discounted fees.
- If the discount is not requested at time of registration, it cannot be provided unless the Registrar decides otherwise and if provided, processing fees will be applied to address fees incurred to reverse the transactions.
